ISBN: 978-0-9700941-4-8

Retail price \$24.95

Once upon a time there was a goddess who forgot that she was a goddess. (It's hard to believe, but it's true!) She lived up high on a beautiful hill, but didn't see any of it, because of the sadness in her heart. Until one day she received an unexpected invitation....

You can join the goddess on her adventure, and savor the enchanting story, inspired artwork, and weaving of playful and meaningful moments. As she connects with her hidden longings, you might see deeper still, into your own precious core divinity, and find yourself experiencing that place where all hearts joyfully join together in the mystery.

The gentle and indirect themes of this book include: the spiritual nurturing of nature, the empowering transformation of emotional healing, and the blessing of authentic divine connection between people. It contains no particular religious dogma, making it appropriate for many paths, or none.

"This Goddess story is beyond-words fabulous. I was totally hooked. I want to read it again and again! This book is truly a gift to the world."

~ Paula Pearce,
Author & Illustrator
